## Summary

Enthusiastic and detail-oriented Computer Science graduate with knowledge in full-stack development, cloud technologies and database. Proven ability to work in team-oriented and deadline-driven environments. Passionate about building scalable software and solving real-world problems.

## Education

**ABES Institute of Technology, Ghaziabad**  
*B.Tech in Computer Science and Technology*

2022 – 2025  
Ghaziabad, India

## Skills

**Languages:** Java, SQL, JavaScript, Python

**Technologies:** Next.js, Node.js, MySQL, Git, Azure

## Experience

### MERN Stack Developer

*Appz Global Tech Pvt. Ltd.*

04/25 – 06/25

Noida, India

- Developed and maintained web applications using MongoDB, Express.js, React, and Node.js.
- Implemented RESTful APIs and optimized MongoDB queries, reducing data fetch time
- Participated in debugging, testing, and deployment of web applications.

### Frontend Developer

*Global Infoventures Pvt. Ltd.*

12/24 – 02/25

Ghaziabad, India

- Developed and optimized responsive UI components using React.js and Tailwind CSS, improving page load performance and user experience by 20%.
- Collaborated with backend team to integrate REST APIs and displayed dynamic data on the frontend using Axios and React Hooks, enhancing data flow and interactivity.
- Debugged and tested user-facing features with Chrome DevTools and Postman, ensuring 95% bug-free deployment on Vercel.

## Projects

### Zinema - A Movie Ticket Booking System

06/2025

- Built a full-stack movie ticket booking app using MERN stack with real-time data from TMDB.
- Integrated Clerk for secure user/admin authentication and Stripe for smooth payments.
- Used Inngest, MongoDB Atlas, and Brevo to handle background events, data sync, and email notifications.

### CityMart - An E-Commerce Platform

03/2025

- Developed a modern shopping platform using React, Vite, Tailwind CSS, and Styled Components.
- Integrated smart search, filters, and personalized feeds for an enhanced user experience.
- Implemented responsive UI with Shadcn UI and React Lucid for a sleek, user-friendly design.

## Certifications

Technology Job Simulation

05/2025

Java Course - Mastering the Fundamentals

09/2024

Webtech Course

05/2024

## Achievements

Deloitte Australia Technology Job Simulation on Forage

05/2025

Runner-up in Smart India Hackathon

10/2024
